

# Green Mountain Builders Begins Construction on New Custom Home

*September 21, 2019*

Green Mountain Builders, a Southwest Florida custom home building and remodeling company has started a new custom home in Naples Park, Naples, Florida. Green Mountain Builders' president, Tony Persichilli has a long and respected history of creating quality in Naples, Bonita Springs, Estero and Ft. Myers for over three decades. This magnificently designed Napoli model is a four bedroom, plus study, three bath pool home, offering 2,208 square feet of living space and 2.888 total square feet under roof.

A dramatic foyer welcomes visitors leading to the spacious great room, kitchen and dining room open concept plan. The foyer is flanked on one side by a private study. The lanai and pool is accessed by a 14' bank of sliding glass pocketing doors.

The gourmet kitchen is fully equipped with stainless steel appliances, custom white cabinetry and a large center island with seating, including a waterfall quartz countertop. The kitchen boasts a French door refrigerator, glass slide in range, stainless vent hood, built in microwave and decorative wainscoting. The kitchen, dining room and expansive great room create the very popular open concept, perfect for family enjoyment, entertaining and keeping watch over the kids.

The master suite is the perfect retreat from a stressful work day. The master includes 8ft. sliders to the outdoor living area and tray ceiling. An expansive walk-in closet separates the bedroom from the elegant master bath, with dual vanities, oversized shower, linen closet and water closet.

The outdoor living area is perfect for family enjoyment, barbecues and entertaining. A custom-designed pool and spa, with brick paver deck, equipped outdoor kitchen, fenced in side and rear yard round out the exciting features of this home. In addition, this Napoli model includes tile roof, impact resistant glass windows and sliding glass doors.

Other interior features include 11'4" ceilings with tray ceilings in the master and dining room, quartz counters in all bathrooms and a granite top in the laundry room. Plus upgraded trim package, including 8' interior doors, 24" x 24" porcelain tile, designer vinyl plank flooring in all bedrooms and energy saving features are also featured. In addition, the Napoli includes tile roof, brick paver driveway and walkway, an oversized two-car garage, upgraded landscaping package, sod and irrigation.

Constructed with care, all Green Mountain Builders' projects, whether its new construction or a remodel are built with the utmost attention to every detail behind the walls and in every space within the walls. What homeowners don't see is as important as what they see every day. Every home built by Green Mountain Builders offers a superb value, along with features and finishes typically found in more expensive homes.
